

GLORIOUS FOURTH.

Bunch of Joy and Noise in Logan.

RACING AND BALL GAMES

Fill in a Jolly Day for the Spectators.

The Fourth passed off quietly enough in Logan. There was a marked absence of the dynamite cane noisance, and what noise there was make itself noticable in the evening. The large crowd that was in town was left to its own sweet inclination as to what attraction to attend, for there were ball-games and tennis for the lovers of those games, and racing at the fair ground for the horse loving ones.

The races drew by far the largest crowd in the afternoon, leaving the streets almost deserted, and only a meager gathering at the ball park. They were given by the Matinee Driving Club of Logan and about forty entries were included. The first race, Class D, Trotting, and the sixth Class A, Pacing, were not run. The results of the others were as follows:

Second Race, Class C, Pacing; won by Babe Tilford, a. m., Doc Shaw owner, in all three heats; time, 1:30, 1:24, and 1:20.

Third Race, Class A, Trotting; won by Madge Cossack, b. m., Otto Lies owner, time, 1:22 1:25 1:23.

Fourth Race, Class B, Pacing; won by W. M. M. br. g., Morrison and Ruble; time, 1:18, 1:19. Only two heats were run.

Fifth Race, Class B, Trotting; won by Nancy Hanks, b. m., Phil Chapman, time, 1:27, 1:33, 1:32.

Mr. J. R. Smith, of Gloucester, acted as starter, and Messrs. George Work and Karne Ferguson as Assistant Judges. Exceptional interest was displayed in all the races. All even half-mile heats.

The base ball honors all went to Logan, in the two games played with the Pleasantville team. The morning game was pitched for Logan by Stiers, and the other one by Riley. Both men did good work. The batting was free, but Logan had an iron bound infield, and nearly everything in sight found its way to a putout. Martin from Longstreth, played second, and "Connie" McDermott, the gentleman with the broad smile, brass lungs, eagle eyes, and fat record, held down third in beautiful style. Cauty caught both games with the best of results. Logan won out in the morning, ten to two, and in the afternoon ten to one. Pleasantville scoring their only run on an error in the first inning. The individual records for the day were all good, and the two victory brought the team percentage up from .308 to .400.

Logan had an easy time of it, apparently, and might have successfully played a much stronger team than they did. Pleasantville had seven errors in the afternoon game, and out of Logan's ten runs only three were earned. With that line-up, the Logan team can do things with any of the clubs they have lost to this year.

The tennis court at the residence of Mr. C. E. Bowen was the scene of an all-day tournament between Jackson County and Hocking. The former was represented by Rev. Herrold and son, Charles Herrold, and Messrs. Sam Kelley and Timothy Rogan, of Wellston, and Messrs. Tom Jones and George Thomas, of Jackson. The visitors apparently had an off day, and one of their best players, Mr. Thomas, was sick, so their showing was not as good as it might otherwise have been. Rev. Herrold displayed a degree of agility and quickness that is surprising in a man of fifty-two. His contest with Woodworth, and those of Charles Bowen, Jr., against Herrold, Jr., and John

Thompson against Thomas, were the most interesting and closely fought of the day. The fortunes of the day went against them, and in the events except one

going to Logan and Haydenville, as the following scores show:

No accidents are reported for the day, and but one arrest was made. That was of a young man from the suburbs who came to town with a pair of brass "knucks" and a knife, and filled up with valley tan, preparatory to setting off cannon crackers and "sassing" the police. He was placed in the refrigerator for safe keeping. The mayor's proclamation with regard to the use of the explosive canes was strictly obeyed. The prohibition of cannon crackers was not so completely regarded, but no casualties resulted from the few which were discharged. On the whole it was a very peaceful Fourth, and was enjoyed as it should be.

STATE OFFICIALS FILE THE SUITS

Receivers Sought For Hotel Companies at an Indiana Resort.

SAY GAMING IS PERMITTED

Claim Made That the French Lick Springs and the West Baden Hotel Companies Have Violated Their Charters—Governor Hanly Orders the Proceedings.

Paoli, Ind., July 4.—The state of Indiana, acting through Attorney General Charles Miller, on instructions from Governor Hanly, filed quo warranto proceedings in the Orange county circuit court against the French Lick Springs Hotel Company and the West Baden Hotel Company, asking that their charters as corporations be revoked, that they be enjoined from permitting gambling on their property, that receivers be appointed and that administration of the assets be made among the defendants and their creditors. The suits are based on the charges that the hotel companies have violated their charter by allowing gambling to take place in the casinos.

At the same time that the suits were filed here local officers, headed by Sheriff Maris, Deputy Sheriff Jones, Constable Baggerly and City Marshal Salices raided the two casinos at the hotels, arrested the attendants and captured a large amount of gambling paraphernalia, including nineteen slot machines. The operations were directed personally by Attorney General Miller. The entire party was brought from French Lick and West Baden to this place and given a hearing before Justice of the Peace James D. Gillum. The gambling furniture was taken in charge of deputies.

A hearing on the suits for injunctions and receiverships will be held Thursday. Thomas Taggart, chairman of the Democratic national committee, is president of the French Lick Springs hotel.

The officers found a number of guests playing keno at West Baden. One guest jumped through a window, but the place was surrounded. None but the attendants were arrested. T. G. Deery, the manager of the Casino at French Lick was arrested. No one was playing when the officers arrived. The Colonial hotel at West Baden was raided also and some gambling paraphernalia secured. Roulette and faro tables were found at 11 places. The complaints against a French Lick Springs Hotel company and the West Baden Hotel company are practically the same. In each complaint it is alleged that the defendant company has violated its charter.

A few minutes later, while Spicer was in the Hargis stove, two shots rang out and Marcum fell dead in the front door of the courthouse. Spicer said that he was offered \$500 to kill Marcum. The offer, he said, was made a few days before Marcum was killed. Spicer said he had refused to kill Marcum and that he had also refused previously to kill Jim Cockrell.

Death of David Kanode.

Mr. David Morgan Kanode died at his home on Rempel Street, in Riverdale, Tuesday morning, July 3, at the age of fifty-four years, four months, and twenty-eight days. He had been ill for several months, and seriously so for a few days previous to his decease.

Mr. Kanode was a native of Logan, having been born here February 5, 1852, and was a life-long resident of this place. He attended the public schools here, and afterward learned the trades of coat-maker and cigar-maker, at the latter of which he worked during the later years of his health. He was twice elected assessor, and served for almost twelve years as township clerk. His last public work was as county recorder, to which office he was elected on the Democratic ticket by a large majority, and in which he served for three years with honor. He was a charter member of the local order of Red Men, and belonged also to the Pouchontas Lodge.

Mr. Kanode was married on December 21, 1875 to Miss Adie English, and is survived by her two daughters, Mrs. Pearl Shaw and Mrs. Edward Allen. The funeral services were held in the M. E. Church, today at two o'clock P. M., and the remains laid to rest in Oak Grove.

David Kanode was a man who was liked and respected by all who knew him. In business, as in private life, his path was marked with a kindly spirit and a quiet gentleness that never failed to attract. In his public service he was zealous and accommodating,

and earned the full confidence of the people. It is with deep and sincere regret that we write these last reminding words of him, and extend our sympathy to his bereaved family.

Commercial Club Entertains.

On Monday evening the Commercial Club entertained their ladies, together with a number of citizens with their wives or lady friends, with a musical, at their most elegantly appointed rooms in the Warner building. A most excellent Italian orchestra, under the leadership of Fr. Amerie, of Italy, was the pride of the program. They certainly discoursed some most sublime music. During the evening the club gentlemen served lemon punch. The assembling of such a delightful audience on the large club veranda, beneath the mellow light of a gorgeous moon, made quite a picture, listening to the sweet strains of the Italian harp.
